### **MY DENTIST OPENS NEW COMPLETE CARE DENTAL OFFICE IN SAPULPA, OK**

**TULSA, OK** – Oklahoma City-based dental company *My Dentist* Complete Care Dentistry announced today the opening of their new dental office located at 1011 E. Taft Avenue in Sapulpa, OK, approximately January 16<sup>th</sup>, 2011. There will be the two primary dentists for the new Sapulpa location, with additional dentists and specialists joining the team, as needed.

*My Dentist* is a family of dental practices in Oklahoma, Missouri and Texas. Founded in 1983 by Pat Steffen, DDS, *My Dentist* provides general dentistry, with specialists in Orthodontics, Endodontics, Oral Surgery and Prosthodontics. Because *My Dentist* is a group practice, patients benefit from the combined knowledge and experience of all the hygienists, general dentists and specialists in the group.

Providing Complete Care Dentistry sets *My Dentist* apart. They accept the responsibility of providing patients with the best care that modern dentistry has to offer. Their dentists and staff never stop learning. They continually update their skills to remain on the leading edge of dental technology and to allow their patients to benefit from new discoveries.

Every *My Dentist* patient receives a complete diagnostic exam and a complete treatment plan. The patient and dentist work together to develop a strategic, long-term plan for oral health. This long-term plan is important, because seeing the full picture helps patients make the best decisions about their care. *My Dentist* prioritizes the plan to take care of the patient's most pressing concerns first and adapt the treatment to fit the patient's schedule and budget, no matter how long it takes to complete.

"This is a perfect location for our new office and we take great pride in supporting economic growth and job creation in the communities we serve," commented Pat Steffen, DDS, *My Dentist* CEO and Founder. "We continue to proudly serve thousands of patients by offering them the best that modern dentistry has to offer."

To help patients receive the care they need, *My Dentist* offers very competitive prices. They accept dental insurance, including Soonercare, and offer several financing options, with approved credit. They will work with you to get the care you need.

"Our team of qualified dentists, hygienists and support staff are committed to providing quality, affordable dental care to all patients," Dr. Steffen said.
