TULSA, OK- Patients looking for a new dentist in Midtown, Tulsa now have a new complete care dentist option with the opening of a new *My Dentist* office last week. The new practice in Tulsa at 1420 S. Lewis Avenue will provide general dentistry for the entire family, including cosmetic and sedation dentistry.

My Dentist is a family of dental practices in Oklahoma, Missouri and Texas. Founded in 1983 by Pat Steffen, DDS, *My Dentist* provides general dentistry, with specialists in Orthodontics, Endodontics, Oral Surgery and Prosthodontics. Because *My Dentist* is a group practice, patients benefit from the combined knowledge and experience of all the hygienists, general dentists and specialists in the group.

My Dentist's complete care dentistry approach includes:
